Note: The total number of the Male/Female and Migrant/Non-Migrant student populations may not be equal to each other due to incorrect gridding of answer folders.

* Data are not reported for the Migrant/Non-Migrant populations in the Special Education and Limited English Proficient categories due to the insufficient number (N < 10) of Migrant students.

¹ Excludes students' answer folders coded void.

² Excludes Special Education and Limited English Proficient students.

³ Includes Special Education students only.

⁴ Includes Limited English Proficient students only.

⁵ Includes all students.
